

## Hubei Centre for Accounting Development Research

# International Symposium on Carbon Accounting and Finance

Wuhan, China

29 – 30 November 2017

## Call for Papers

The International Symposium on Carbon Accounting and Finance, organized by Hubei Centre for Accounting Development Research, Hubei University of Economics will take place on 29 - 30 November 2017 in Wuhan, China. It aims to provide academics, policymakers and practitioners with a valuable forum for discussions and critical analyses of the major issues and challenges that interrelate carbon emission, environmental accounting, carbon reporting, auditing, carbon trading and finance.

TOPICS: The conference organizers would like to invite the submission of both theoretical and empirical papers relating to all aspects of carbon accounting and reporting, environmental accounting, and carbon finance as well as their interactions with financial markets, corporate finance analysis for carbon emission, risk management, carbon trading and regulations.

### KEYNOTE SPEAKERS:

- Dr Francisco Ascui, University of Edinburgh, UK; and University of Tasmania, Australia
- Professor Qingling Tang, Western Sydney University, Australia
- Professor Liyan Wang, Peking University, China
- Professor Xingsheng Wen, Hubei University of Economics, China

**PAPER SUBMISSION PROCEDURE:** Interested authors can submit their research abstracts and papers (in word or PDF files), no later than 10 September, 2017 to the organisers of the Symposium ([jinglinli@hbue.edu.cn](mailto:jinglinli@hbue.edu.cn)). Those selected to present will be informed by the end of September 2017. This is a free event, but you need to register by 11 October 2017. Places are limited and will be allocated on a first come, first serve basis.
